# THE GREEN INNER-CITY CAMPUS

## REMBRANDT PARK ONE

A truly unique location in Amsterdam. Just a bike ride away from the city centre and only 15 minutes by car from Schiphol Airport.

This lively campus destination will have a public square where people can come together, enjoy the facilities it has to offer and be part of this new and dynamic park community. A unique proposition that fits the current employment market, where the success of an organisation is largely determined by the people and their talent.

## PART OF A LARGER PLAN

The redevelopment of this solid 1960's office building is the start of a greater plan. Two more buildings will be built on the site. Rembrandt Park One, Two and Three will together become a vibrant campus location and a new concept in Amsterdam.

# A RARE OPPORTUNITY TO BE PART OF A NEW AND DYNAMIC DESTINATION IN AMSTERDAM.

# THE NEXT GENERATION OFFICE SPACE

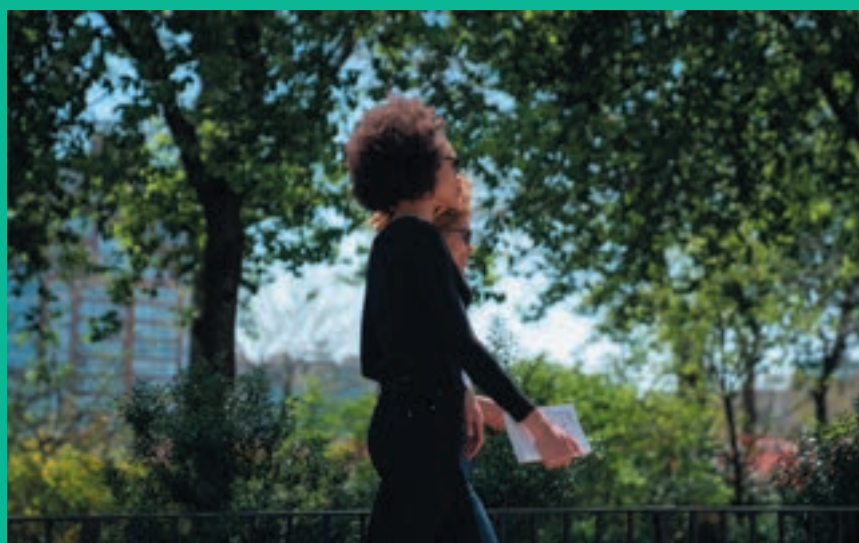

# AN OFFICE CAMPUS WITH 45 ACRES OF NATURAL GREEN AS YOUR GARDEN.

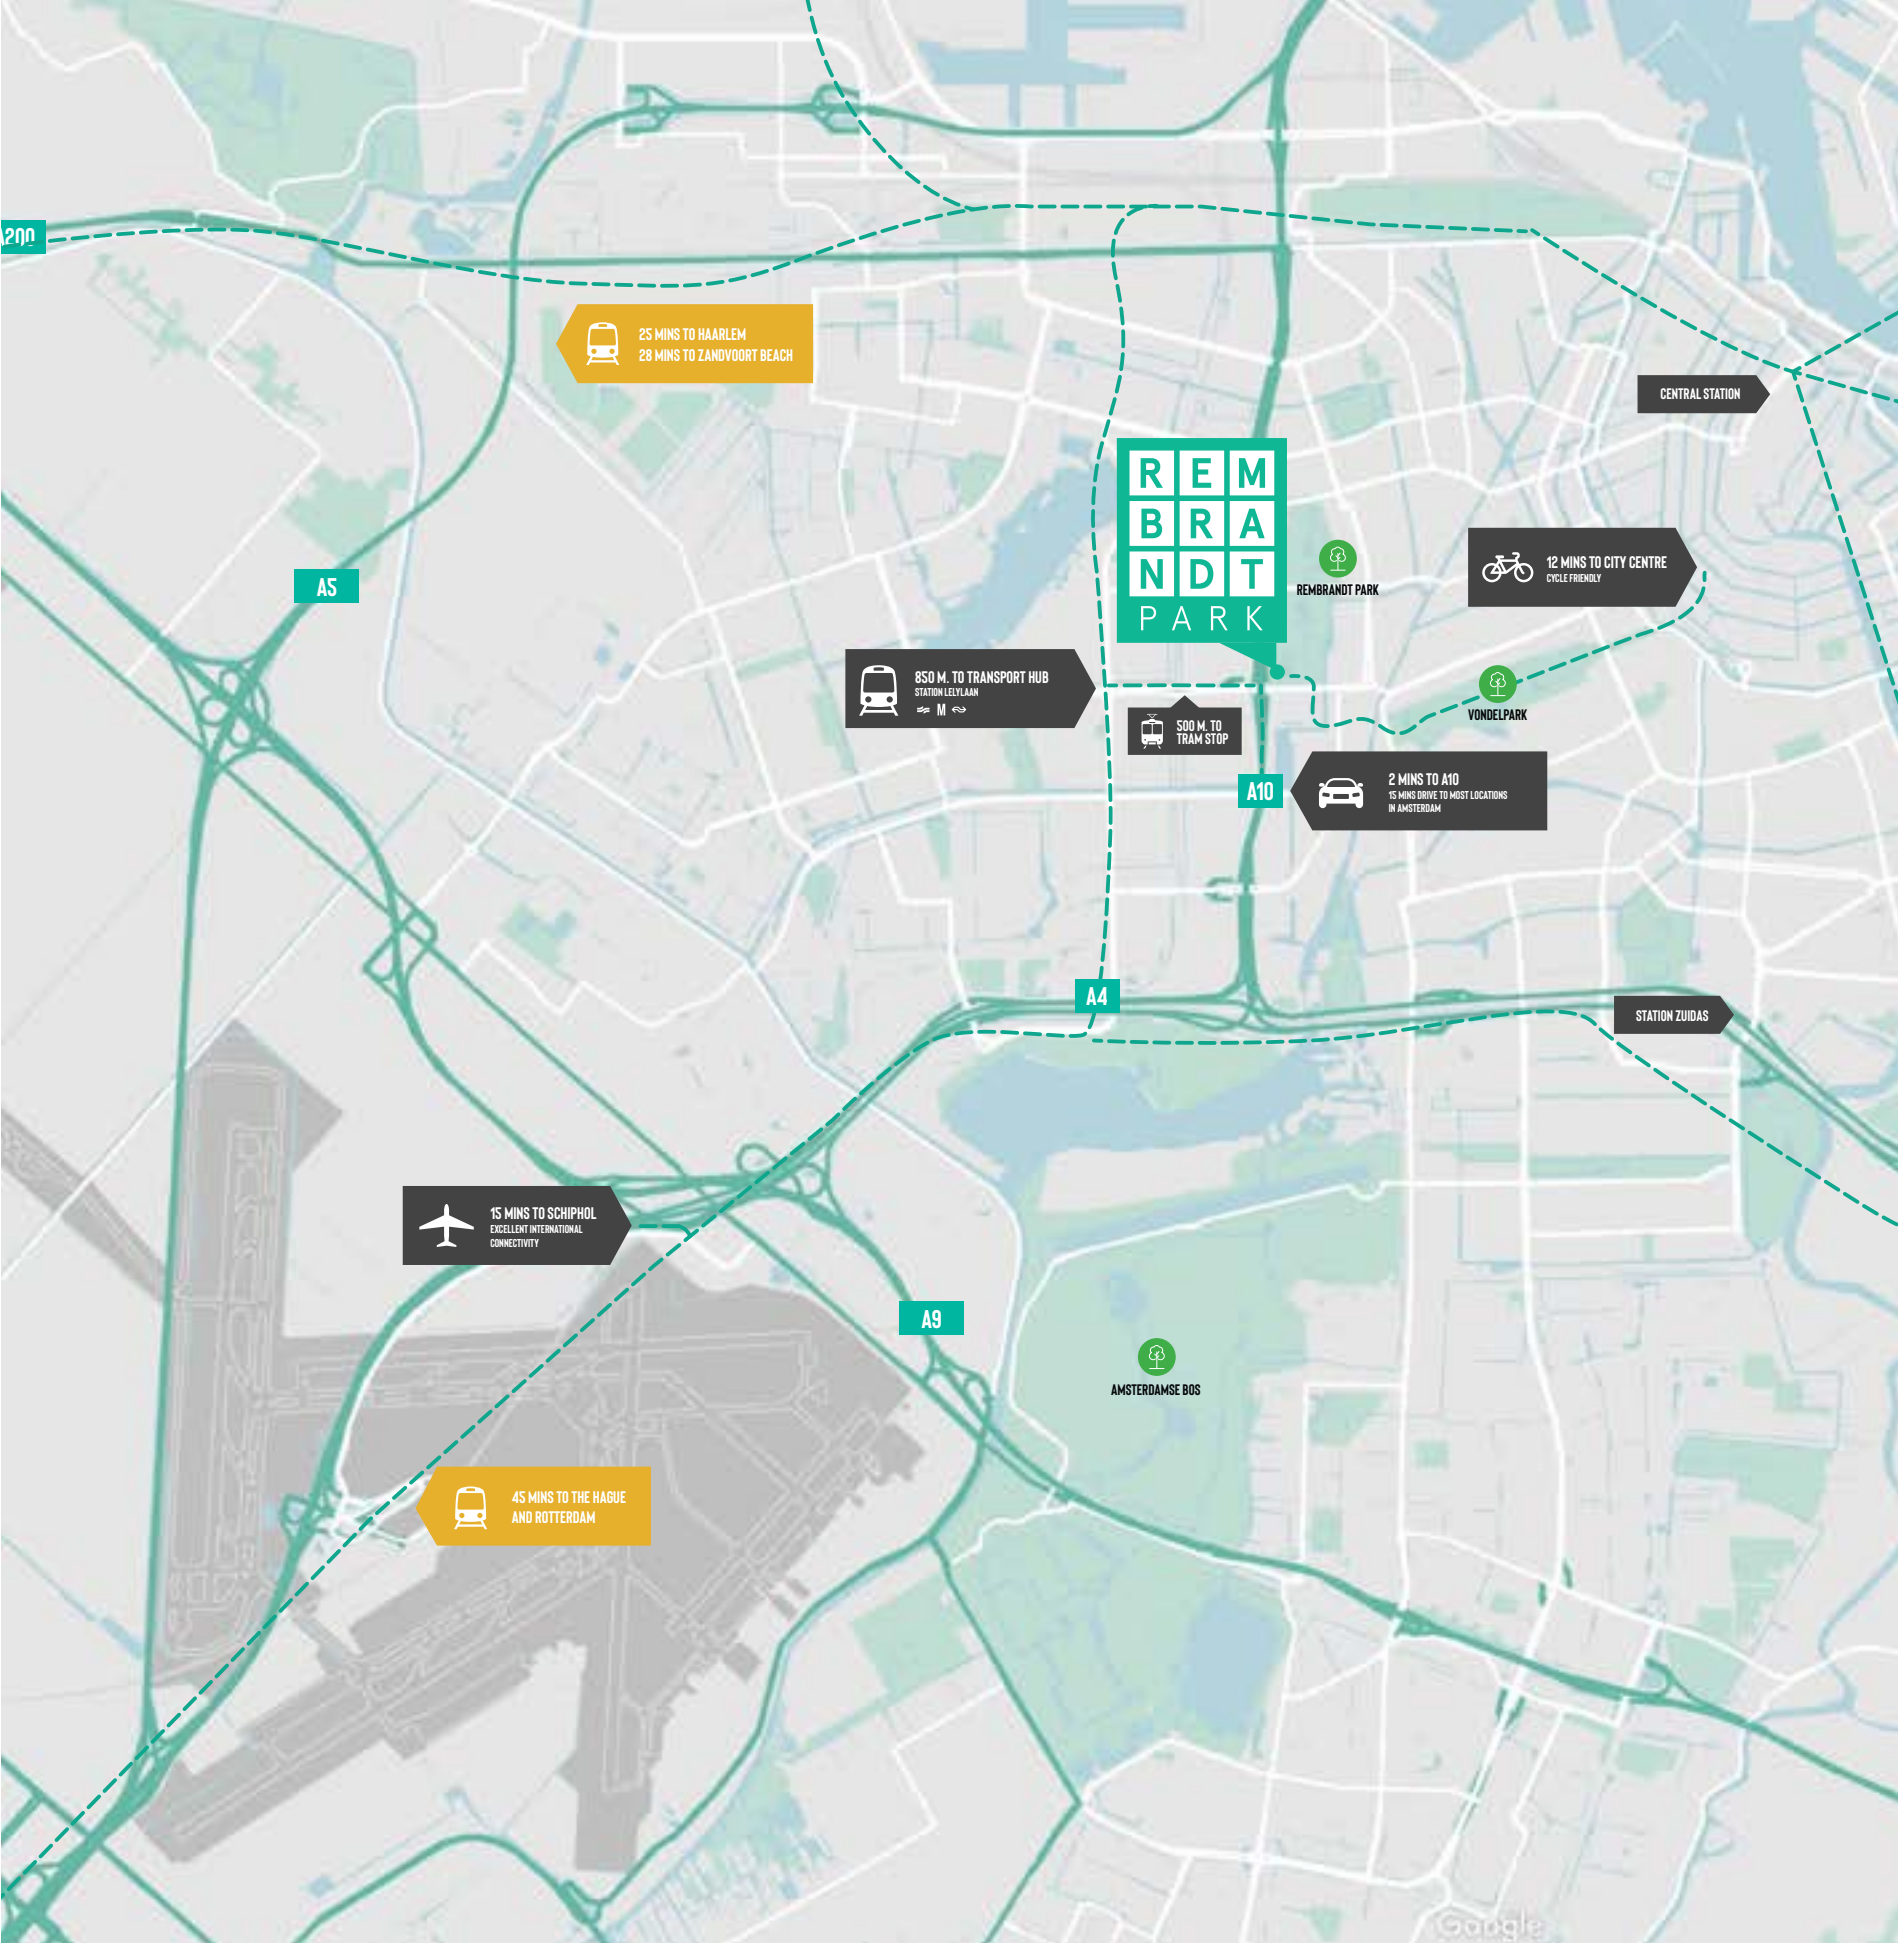

## SAY HELLO TO REMBRANDT PARK

There is something exciting about working at this location. The offices are designed to meet the demands of modern-day work. You feel the natural green as a constant presence as the design brings the outside in. Together with the campus set-up a lively and livid environment is created.

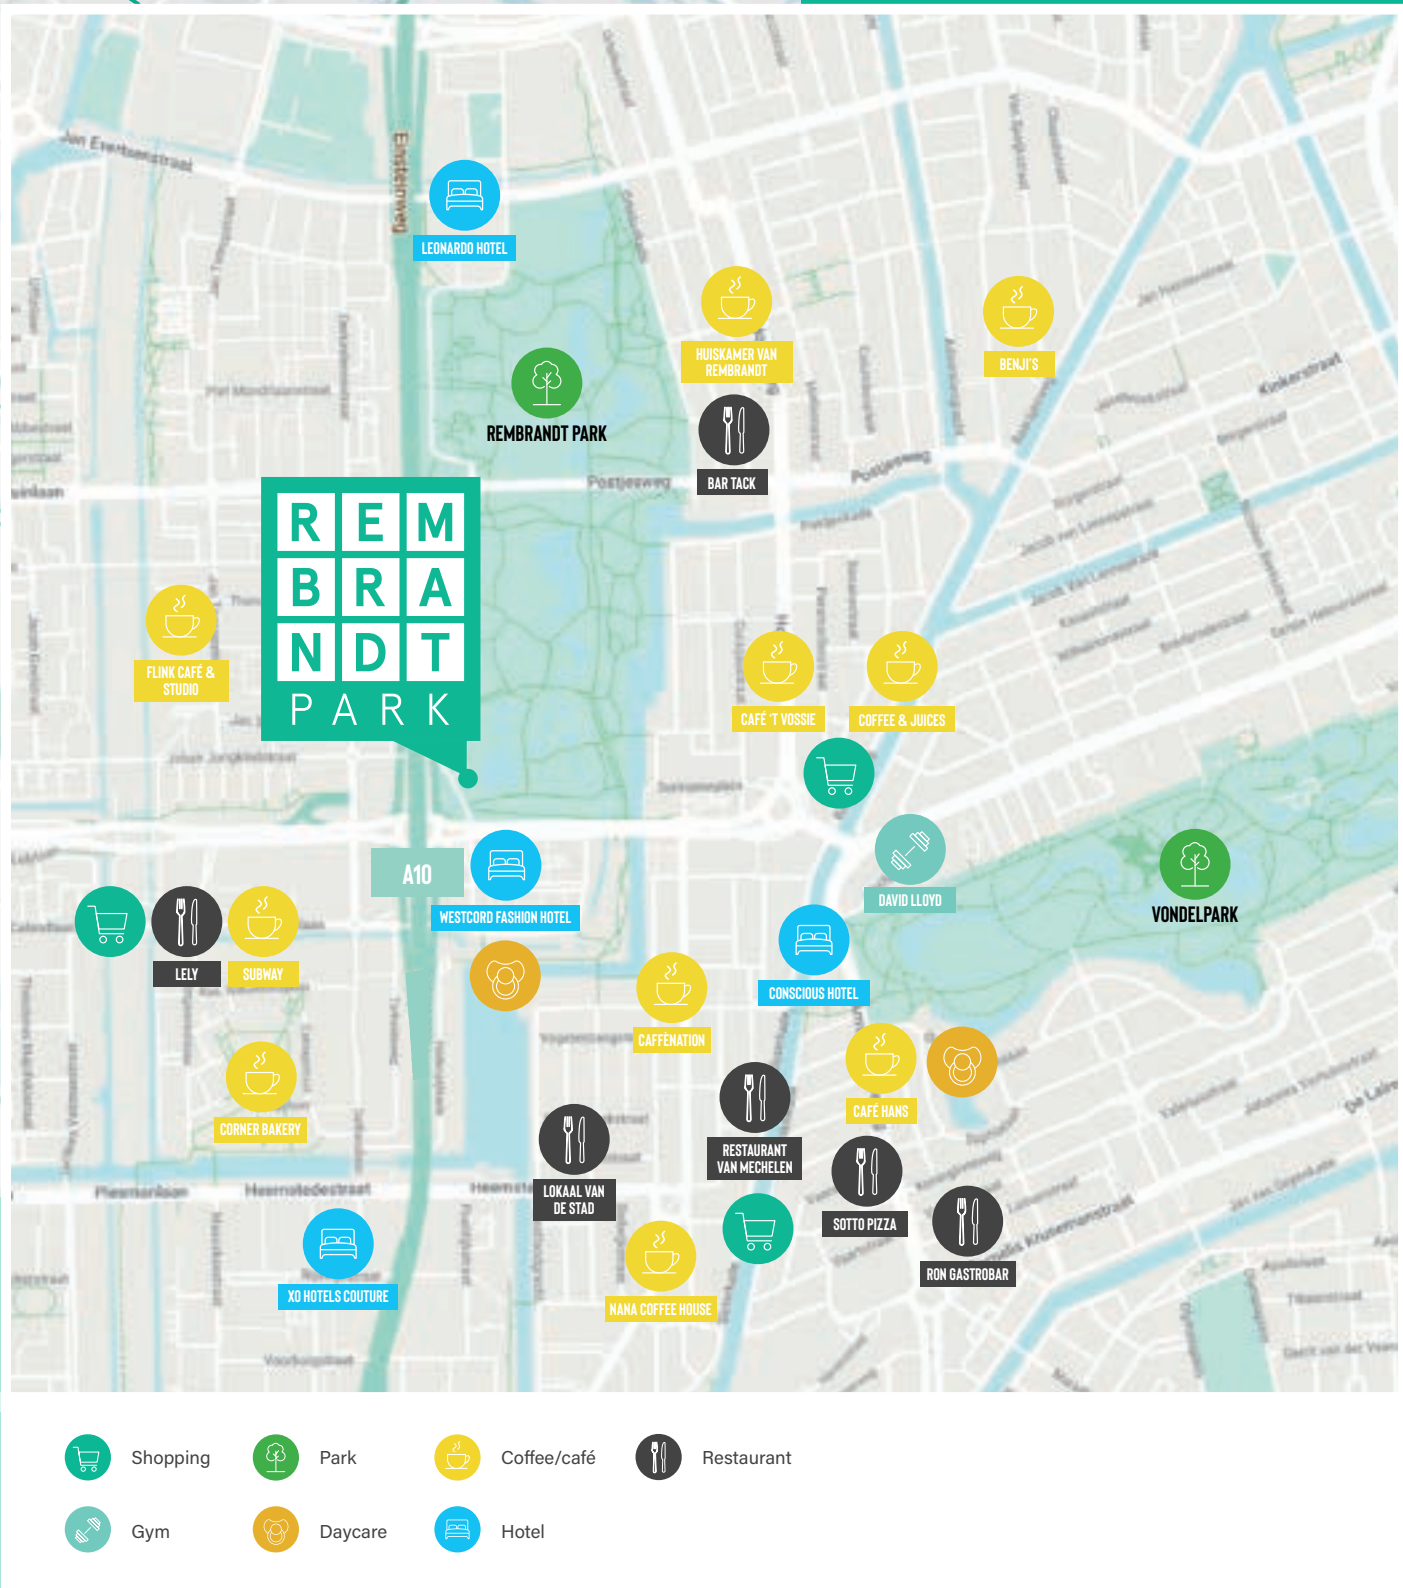

# SMART CONNECTIONS

Rembrandt Park is ideally situated within the A10 ring road and enjoys excellent transport connections. Being close to Schiphol Airport and the Zuidas only three stops away, it is easily accessible for local, national and international visitors.

## A VIBRANT CITY AREA

# 12 MINS BIKE RIDE FROM THE CITY CENTRE

Only a short bike ride from the city centre of Amsterdam. A pleasant route through the Vondelpark with plenty of time for a morning coffee. This is not just commuting, this is a moment of reflection that stimulates your creativity. For many good reasons, biking is the preferred way of transportation in Amsterdam.
