About this Chapter

The three handsome canal houses at Keizersgracht 163–167 have been connected internally and furnished with an elevator to create 2,200 m² of breath-taking modern office space that is custom made for multi-tenant occupancy. The back of the property also has beautiful views, over lush gardens.

Keizersgracht 163-167 has excellent transport credentials. The Westermarkt tram stop is just around the corner, with direct links to Amsterdam Centraal and Amsterdam Lelylaan railway stations.
